## When do I need to use this form?

• If you obtained the vehicle count for the numbers you entered in Section 4 of the 2013 UCR Registration Form from the number of vehicles you owned and operated for the 12-month period ending June 30, 2013 (Option B), and your fleet count using this method places you in a bracket with a lower fee than if you had selected Option A on the 2014 UCR Registration Form, you must maintain a list of vehicles covered by your 2013 UCR registration and provide this information on Form UCR-2 to your base state upon request.

#### Section 1. - General Information

• Enter all identifying information for your company. The owner and DBA name should be identical to what is on file for your USDOT number (See <a href="http://safer.fmcsa.dot.gov/CompanySnapshot.aspx">http://safer.fmcsa.dot.gov/CompanySnapshot.aspx</a>). Enter the principal place of business address that serves as your headquarters and where your operational records are maintained or can be made available.
